  3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.
- NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.
4. When the installation finishes, please restart the computer if needed.

### **NVIDIA GeForce 8600M GM driver**

1. Execute \Drivers\ Graphics-NVIDIA.EXE file.
  2. Follow the installation wizard that appears.
  3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.
- NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.
4. When the installation finishes, please restart the computer if needed.

### **NVIDIA GeForce 8400M driver (If your PC is 8400M GT, please download this driver and install it)**

1. Please double check whether your built-in graphics driver is NVIDIA GeForce 8400M GT Driver. If your built-in graphics driver is NVIDIA GeForce 8600M GS please skip this step.
2. Execute \Drivers\ Graphics-NVIDIA1.EXE file.
3. Follow the installation wizard that appears.

4. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

5. When the installation finishes, please restart the computer if needed.

### **Hotfix - kb835221**

1. Execute \Drivers\KB835221.exe file.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **SigmaTel High Definition Audio CODEC**

1. Execute \Drivers\Audio.exe file.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **HDAUDIO SoftV92 Data Fax Modem with SmartCP**

1. Execute \Drivers\Modem.EXE file.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Texas Instruments PCIXX12 Integrated FlashMedia Controller**

1. Execute \Drivers\Memory\_stick.EXE file.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Memory Stick Hotfix**

1. Execute \Drivers\Memory\_Stick\_Icon.EXE file.

2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Alps Pointing device for VAIO**

1. Execute \Drivers\**Pointing.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Touchpad Registry Patch**

1. Execute \Drivers\**Touchpad\_Registry\_Patch.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Marvell Yukon 88E8036 PCI-E Fast Ethernet Controller**

1. Execute \Drivers\**LAN.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **PROSet/Wireless**

1. Execute \Drivers\**Wireless\_LAN.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Bluetooth Driver**

1. Please put the WIRELESS switch to "ON" before install.
2. Execute \Drivers\**Bluetooth.EXE** file.
3. Follow the installation wizard that appears.
4. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

5. When the installation finishes, please restart the computer if needed.

### **VGP-VCC5 Camera Module Driver**

1. Execute \Drivers\**Camera.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony NC Device**

1. Execute \Drivers\**SonyNC.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony Image Conversion Filter Driver**

1. Execute \Drivers\**SonyImgF.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

Download the VGN-FZ2-application.zip (52.4 MB) to a temporary or download directory (please note this directory for reference. And make sure the capability is correctly, if the capability is inexactitude, you should download them again). Then release and install it as follow one by one.

### **Sony Shared Library**

1. Execute \ applications \ **Sony\_Shared\_Library.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony Utilities DLL**

1. Execute \ applications \ **Sony\_Utilities\_DLL.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Setting Utility Series**

1. Execute \ applications \ **Setting\_Utility\_Series.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Event Service**

1. Execute \ applications \ **VAIO\_Event\_Service.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Vaio Event Service Hotfix**

1. Execute \ applications \ **Vaio\_Event\_Service\_Hotfix.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Control Center**

1. Execute \ applications \ **VAIO\_Control\_Center.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Power Management**

1. Execute \ applications \ **VAIO\_Power\_Management.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Wireless Switch Setting Utility**

1. Execute \ applications \ **Wireless\_Switch\_Setting\_UTILITY.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Camera Utility**

1. Execute \ applications \ **VAIO\_Camera\_UTILITY.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Camera Capture Utility**

1. Execute \ applications \ **VAIO\_Camera\_Capture\_UTILITY.EXE** file.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.
