2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Hotfix - kb835221**

1. Execute \vgn-ux5-ie-drivers\**kb835221.exe**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **AUDIO Driver**

1. Execute \vgn-ux5-ie-drivers\**AUDIO.exe**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Touch Chip Fingerprint Coprocessor**

1. Execute \vgn-ux5-ie-drivers\**Fingerprint.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue

with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Texas Instruments PCIXX12 Integrated FlashMedia Controller**

1. Execute `\vgn-ux5-ie-drivers\FlashMedia.exe`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Memory Stick Hotfix**

1. Execute `\vgn-ux5-ie-drivers\MS-I con.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **SD card Hotfix**

1. Execute `\vgn-ux5-ie-drivers\SD_Card_I con.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Alps Pointing device for VAIO**

1. Execute `\vgn-ux5-ie-drivers\Pointing.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **TOUCHPANE Driver**

1. Execute `\vgn-ux5-ie-drivers\TOUCHPANEL.exe`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue

with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Network Driver**

1. Execute \vgn-ux5-ie-drivers\**Network.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **WirelessLAN Driver**

1. Execute \vgn-ux5-ie-drivers\**WIRELESSLAN.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **SonyNCDevice**

1. Execute \vgn-ux5-ie-drivers\**SONYNC.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony PI Device**

1. Execute \vgn-ux5-ie-drivers\**SONYPI.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony Image Conversion Filter Driver**

1. Execute \vgn-ux5-ie-drivers\**SonyImgF.EXE**.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue

with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **HDD Protection Driver**

1. Execute `\vgn-ux5-ie-drivers\HDD_Protection.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Camera Module Driver**

1. Execute `\vgn-ux5-ie-drivers\Camera.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Bluetooth Driver**

1. Execute `\vgn-ux5-ie-drivers\Bluetooth.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

Download the VGN-UX5-IE-Application.zip (391 MB) to a temporary or download directory (please note this directory for reference. And make sure the capability is correctly, if the capability is inexactitude, you should download them again). Then release and install it as follow one by one.

### **Sony Shared Library**

1. Execute `\vgn-ux5-ie-applications\Sony_Shared_Library.EXE`.
2. Follow the installation wizard that appears.
3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the

installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Sony Utilities DLL**

1. Execute\vgm-ux5-ie-applications\**Sony\_Utilities\_DLL.EXE**.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Event Service**

1. Execute\vgm-ux5-ie-applications\**VAIO\_Event\_Service.exe**.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Setting Utility Series**

1. Execute\vgm-ux5-ie-applications\**Setting\_Utility\_Series.EXE**.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO HDD Protection**

1. Execute\vgm-ux5-ie-applications\**VAIO\_HDD\_Protection.EXE**.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO HDD Protection Update**

1. Execute\vgm-ux5-ie-applications\**HDD\_Protection\_Update.exe**.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the

installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Control Center**

1. Execute \vgn-ux5-ie-applications\VAIO\_Control\_Center.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Power Management**

1. Execute \vgn-ux5-ie-applications\VAIO\_Power\_Management.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Wireless LAN Starter**

1. Execute \vgn-ux5-ie-applications\Wireless\_LAN\_Starter.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Battery Checker Tool**

1. Execute \vgn-ux5-ie-applications\Battery\_Checker.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Protect Suite QL**

1. Execute \vgn-ux5-ie-applications\Suite\_QL.exe.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the

installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Camera Capture Utility**

1. Execute \vgn-ux5-ie-applications\VAIO\_Camera\_Capture\_Utility.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **VAIO Touch Launcher**

1. Execute \vgn-ux5-ie-applications\VAIO\_Touch\_Launcher.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Special Button Utility**

1. Execute \vgn-ux5-ie-applications\Special\_Button\_Utility.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.

### **Zoom Utility**

1. Execute \vgn-ux5-ie-applications\ZoomUtility.EXE.

2. Follow the installation wizard that appears.

3. At the License Agreement dialog, read the agreement. Click I Agree to continue with the installation.

NOTE: Several setup boxes may briefly appear during the installation. Follow the installation wizard that appears.

4. When the installation finishes, please restart the computer if needed.
